

YOUTH HEART SCREENING EVENT

SRJC Petaluma Campus

<p>WHO</p> 	<p>All youth and young adults ages 12 to 25!</p>	<p>WHEN</p> 	<p>Sunday, February 27, 2022, 9:00 am to 2:30 pm</p>
<p>WHY</p> 	<p>It is estimated that 1 in 300 school-aged children suffer from an undiagnosed heart defect, which can lead to sudden cardiac arrest and death. A typical annual physical does not screen for advanced heart abnormalities. This does not take the place of your annual or pre-participation sports physical.</p>	<p>WHERE</p> 	<p>SRJC Petaluma Campus 680 Sonoma Mountain Parkway Petaluma, CA 94954</p>
<p>WHAT</p> 	<p>Screenings take 60-90 minutes (wait times may vary) and include a health history questionnaire review, an EKG test, and an echocardiogram. The entire process is non-invasive—no needles or x-ray exposure—and we ensure each teen’s confidentiality, privacy, and individual modesty is respected throughout all aspects of the screening.</p>	<p>COST</p> 	<p>OUR SCREENINGS ARE OFFERED FREE OF CHARGE thanks to our sponsors. Consider paying it forward to allow us to keep saving young lives. Just \$25 helps us screen another teen. Donations may be made at the screening or during the online registration process.</p> <p>SPONSORS: Petaluma Health Care District, SRJC Petaluma, Coastal Valleys EMS Agency, Providence, Arrow Benefits Group, Exchange Bank, Medtronic, Western Health Advantage, Ron Rubin Winery, Sonoma County, and our annual sponsor Gable Heart Beats.</p>
