

TEEN HEART SCREENING EVENT

Dublin High School

<p>WHO</p> 	<p>All teens and young adults ages 12 to 25!</p>	<p>WHEN</p> 	<p>Sunday, September 18th, 2022, 9:00 am to 2:30 pm</p>
<p>WHY</p> 	<p>It is estimated that 1 in 300 school-aged children suffer from an undiagnosed heart defect, which can lead to sudden cardiac arrest and death. A typical annual physical does not screen for advanced heart abnormalities. This does not take the place of your annual or pre-participation sports physical.</p>	<p>WHERE</p> 	<p>Dublin High School 8151 Village Parkway Dublin, CA 94568</p>
<p>WHAT</p> 	<p>Screenings take 60-90 minutes (wait times may vary) and include a health history questionnaire review, an EKG test, and an echocardiogram. The entire process is non-invasive—no needles or x-ray exposure—and we ensure each teen’s confidentiality, privacy, and individual modesty is respected throughout all aspects of the screening.</p>	<p>COST</p> 	<p>OUR SCREENINGS ARE OFFERED FREE OF CHARGE thanks to our sponsors. Consider paying it forward to allow us to keep saving young lives. Just \$25 helps us screen another teen. Donations may be made at the screening or during the online registration process.</p> <p>SPONSORS: County of Alameda Supervisor Scott Haggerty, District 1, Stanford Valley Care, and our annual sponsor Gable Heart Beats.</p>
<p>HOW</p> 	<p>Register your child in advance. Please register and find forms at viaheartproject.org/screenings/ Registration will be open from 8/9/22 until noon on 9/16/22, and is limited to 500 students.</p>	<p>CONTACT</p> 	<p>Any questions, please call 800-284-0125 or email screening@viaheartproject.org</p>
